

# INSURENXT INNOVATORS AWARD

The insureNXT Innovators Award recognizes companies that develop new and innovative solutions for the insurance industry.

These can be technologies, products, services or business models that have the potential to transform and improve the insurance sector.

The award is presented by a panel of experts who evaluate the applications submitted and select the most innovative and promising companies.

The insureNXT Innovators Award will be presented in the following categories:

Standalone Insurance Pioneer

Collaboration Champion

Cross Industry Bridgebuilder
